

F.C.L

FCL EGYPT

Customs clearance and inland logistics, seamlessly integrated under one command. No delays. No surprises. Just control.

The Local Chain Operator

FCL is the **neutral, on-ground operator** running customs clearance and inland moves across Alexandria and Ain Sokhna under one command, with daily control and predictable execution.

Neutral by Design

No sea or air freight conflicts. We focus solely on local execution, ensuring objective, reliable service.

Control System

One integrated command structure, not scattered vendors. Complete visibility and accountability at every touchpoint.

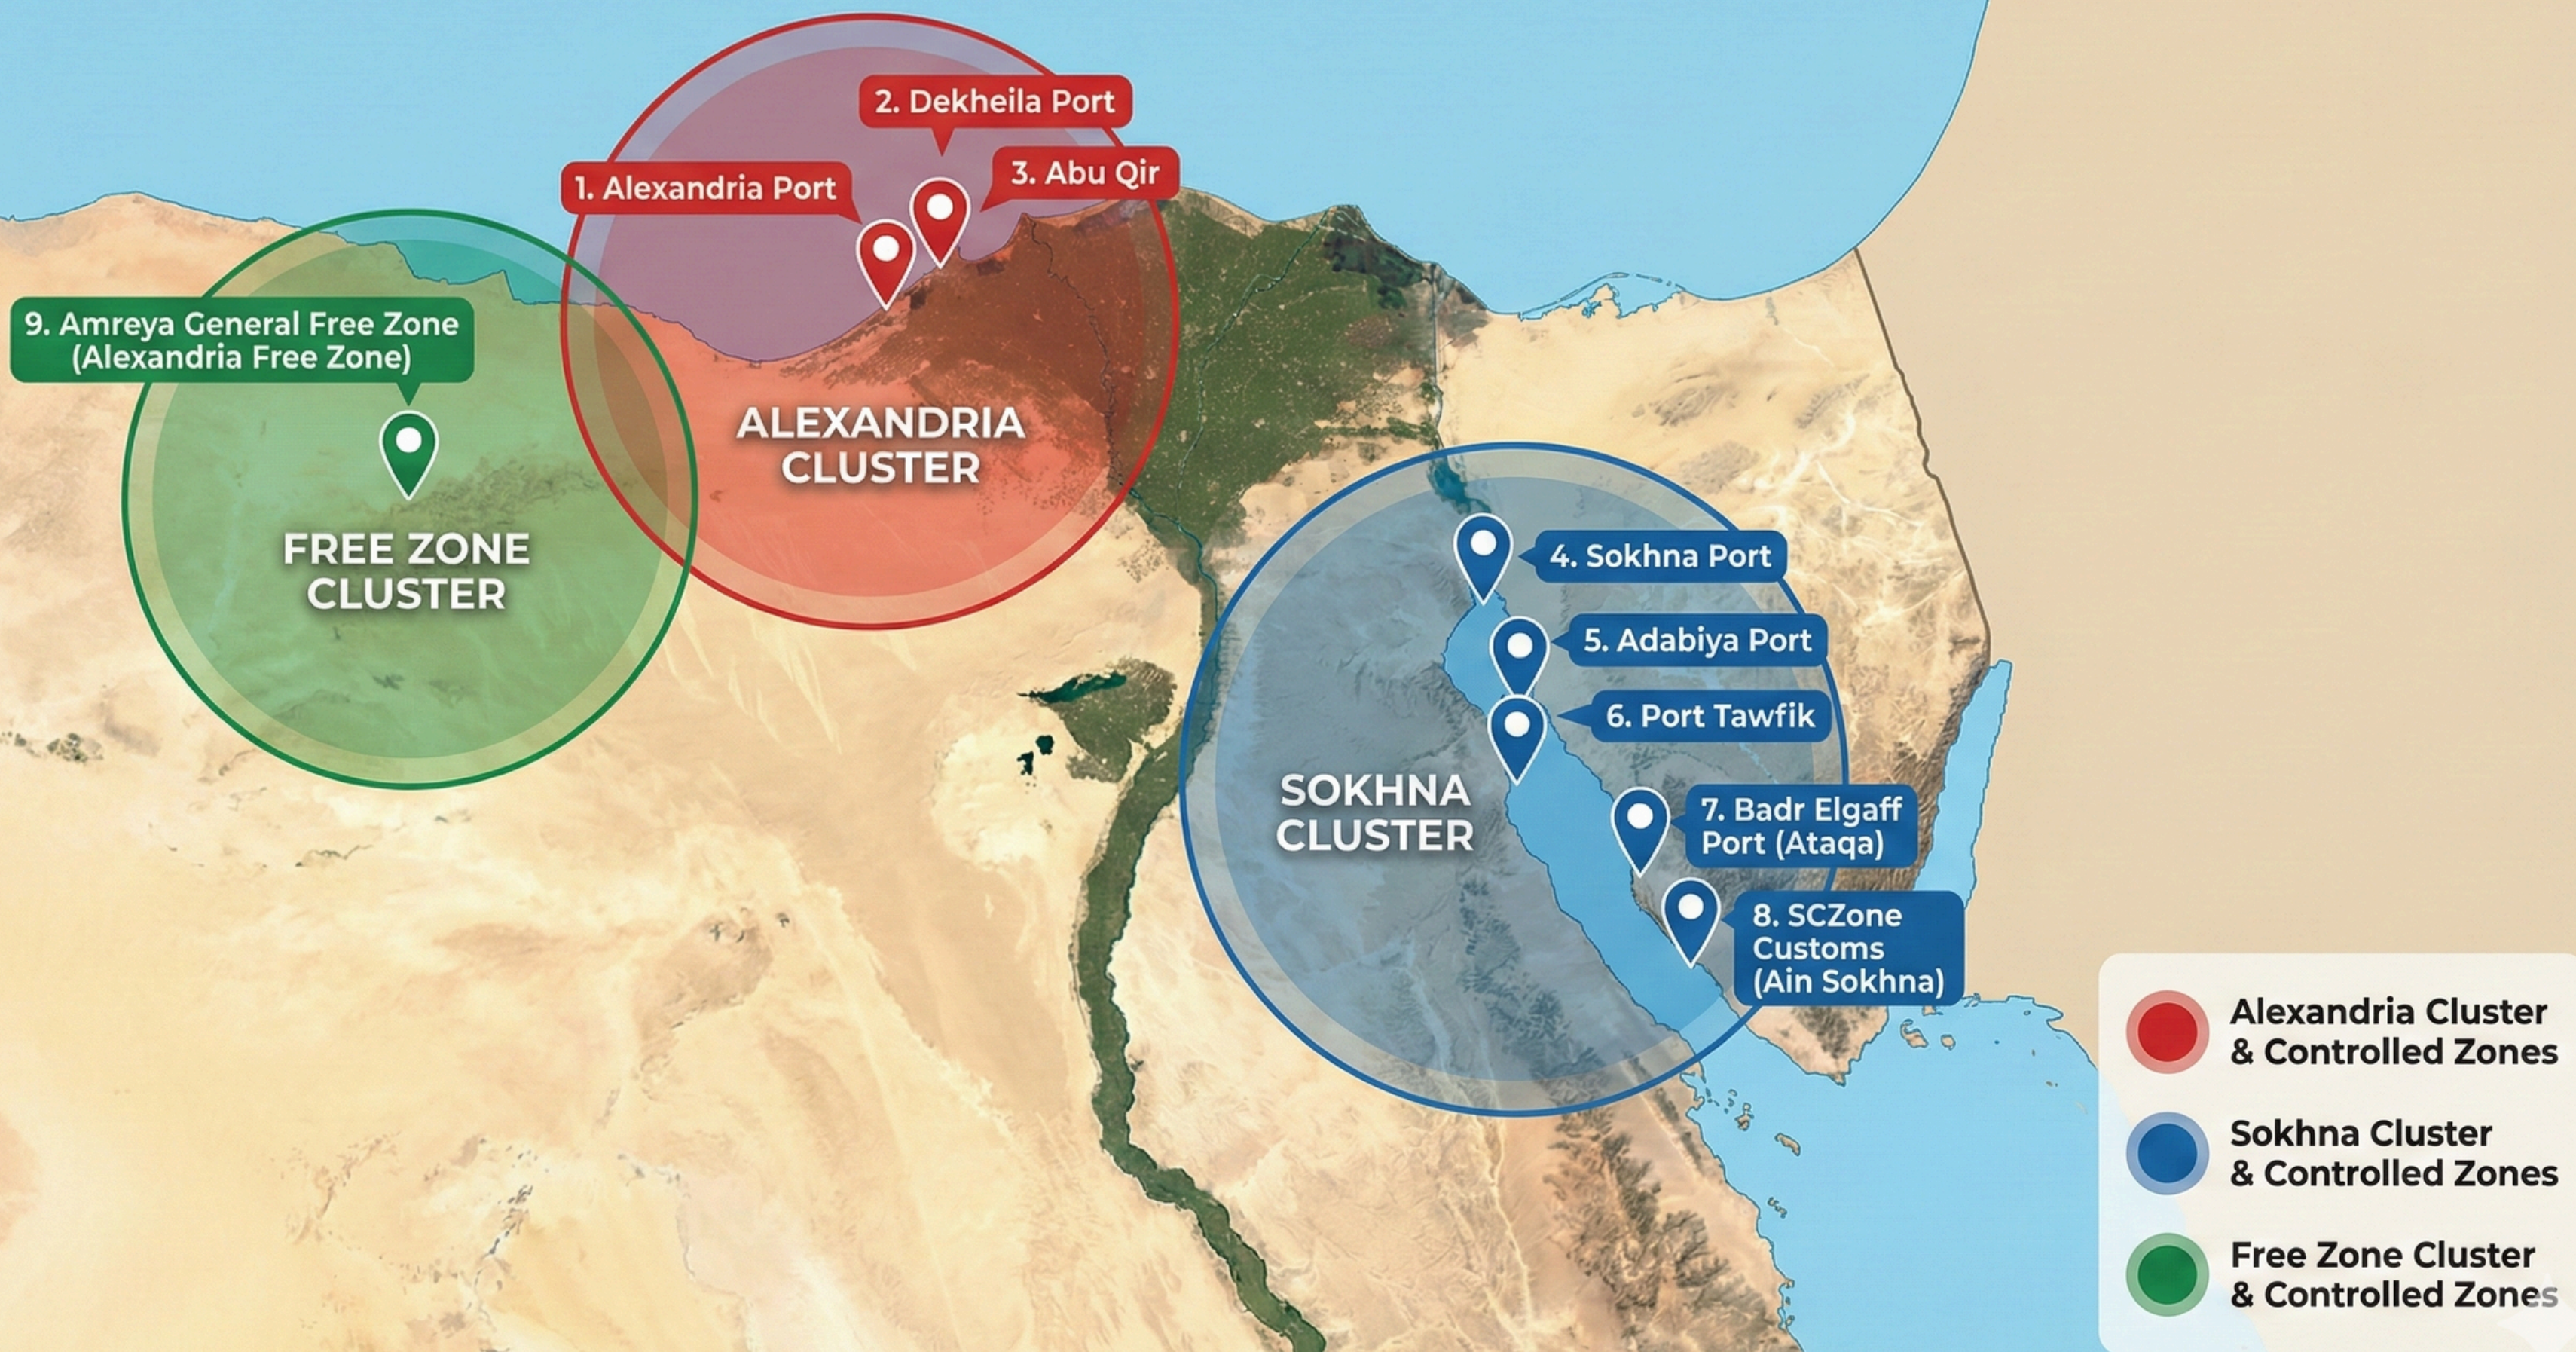

Predictability is the Product

Daily execution standards and disciplined follow-up eliminate uncertainty and prevent delays.

Where we operate?

EGYPT FCL HUBS AND CONTROLLED ZONES

Daily Presence Across 3 Hubs and 9 Zones

Our Operational Hubs

- Alexandria HQ (Command + execution center)
- Ain Sokhna SCZone Branch (Sokhna cluster hub)
- Amreya Free Zone Branch (Free Zone hub)

Our Coverage Zones

1. Alexandria Port
2. Dekheila Port
3. Abu Qir
4. Sokhna Port
5. Adabiya Port
6. Port Tawfik
7. Badr Elgaff Port (Ataqa)
8. SCZone Customs (Ain Sokhna)
9. Amreya General Free Zone

One Operating Model Across Multiple Zones

3 Operational Hubs

Command centers coordinating daily execution

Daily Execution Across 9 Zones

Physical presence where it matters most

One Standard, No Remote Coverage

Consistent quality and control everywhere

Every port, zone, and inland location follows the same command standard. We assign dedicated teams rather than dispatching ad-hoc. Daily follow-up and reporting discipline ensure consistent documentation control and closure across all operations.

What we deliver?

FCL Product Portfolio

Customs & Regulatory Operations

Core clearance and zone procedures across all Egyptian ports and free zones

Inland Logistics

Complete trucking and transport solutions for all cargo sizes and types

Customs and Zone Procedures, End-to-End

Professional load securing and transport preparation services

Why FCL wins?

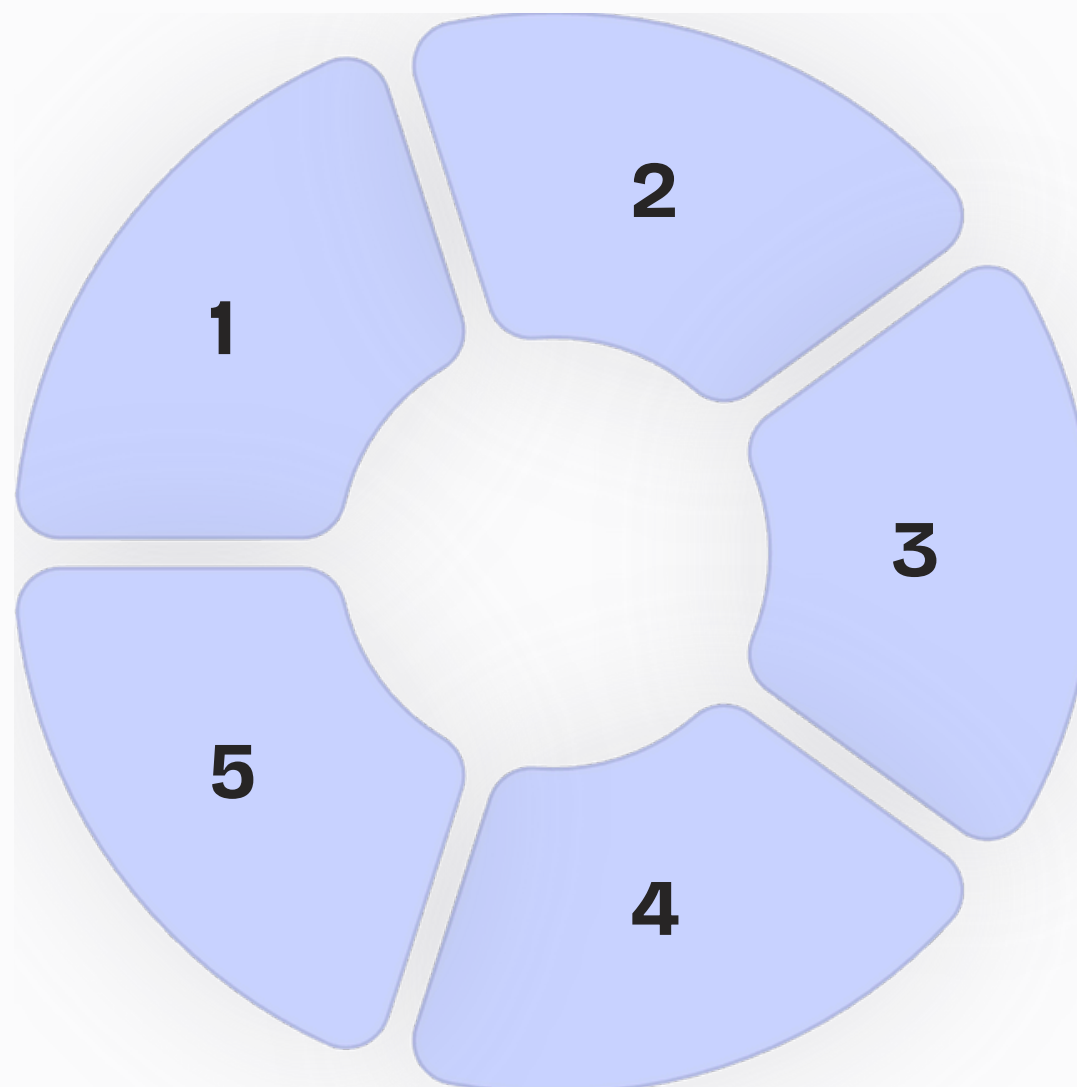

The System That Prevents Surprises

24/7 Operational Coverage

Round-the-clock monitoring and response capability

Long-Term Traceable Archiving

Complete historical records for audit and reference

Daily Follow-Up and Reporting

Real-time status updates and execution tracking

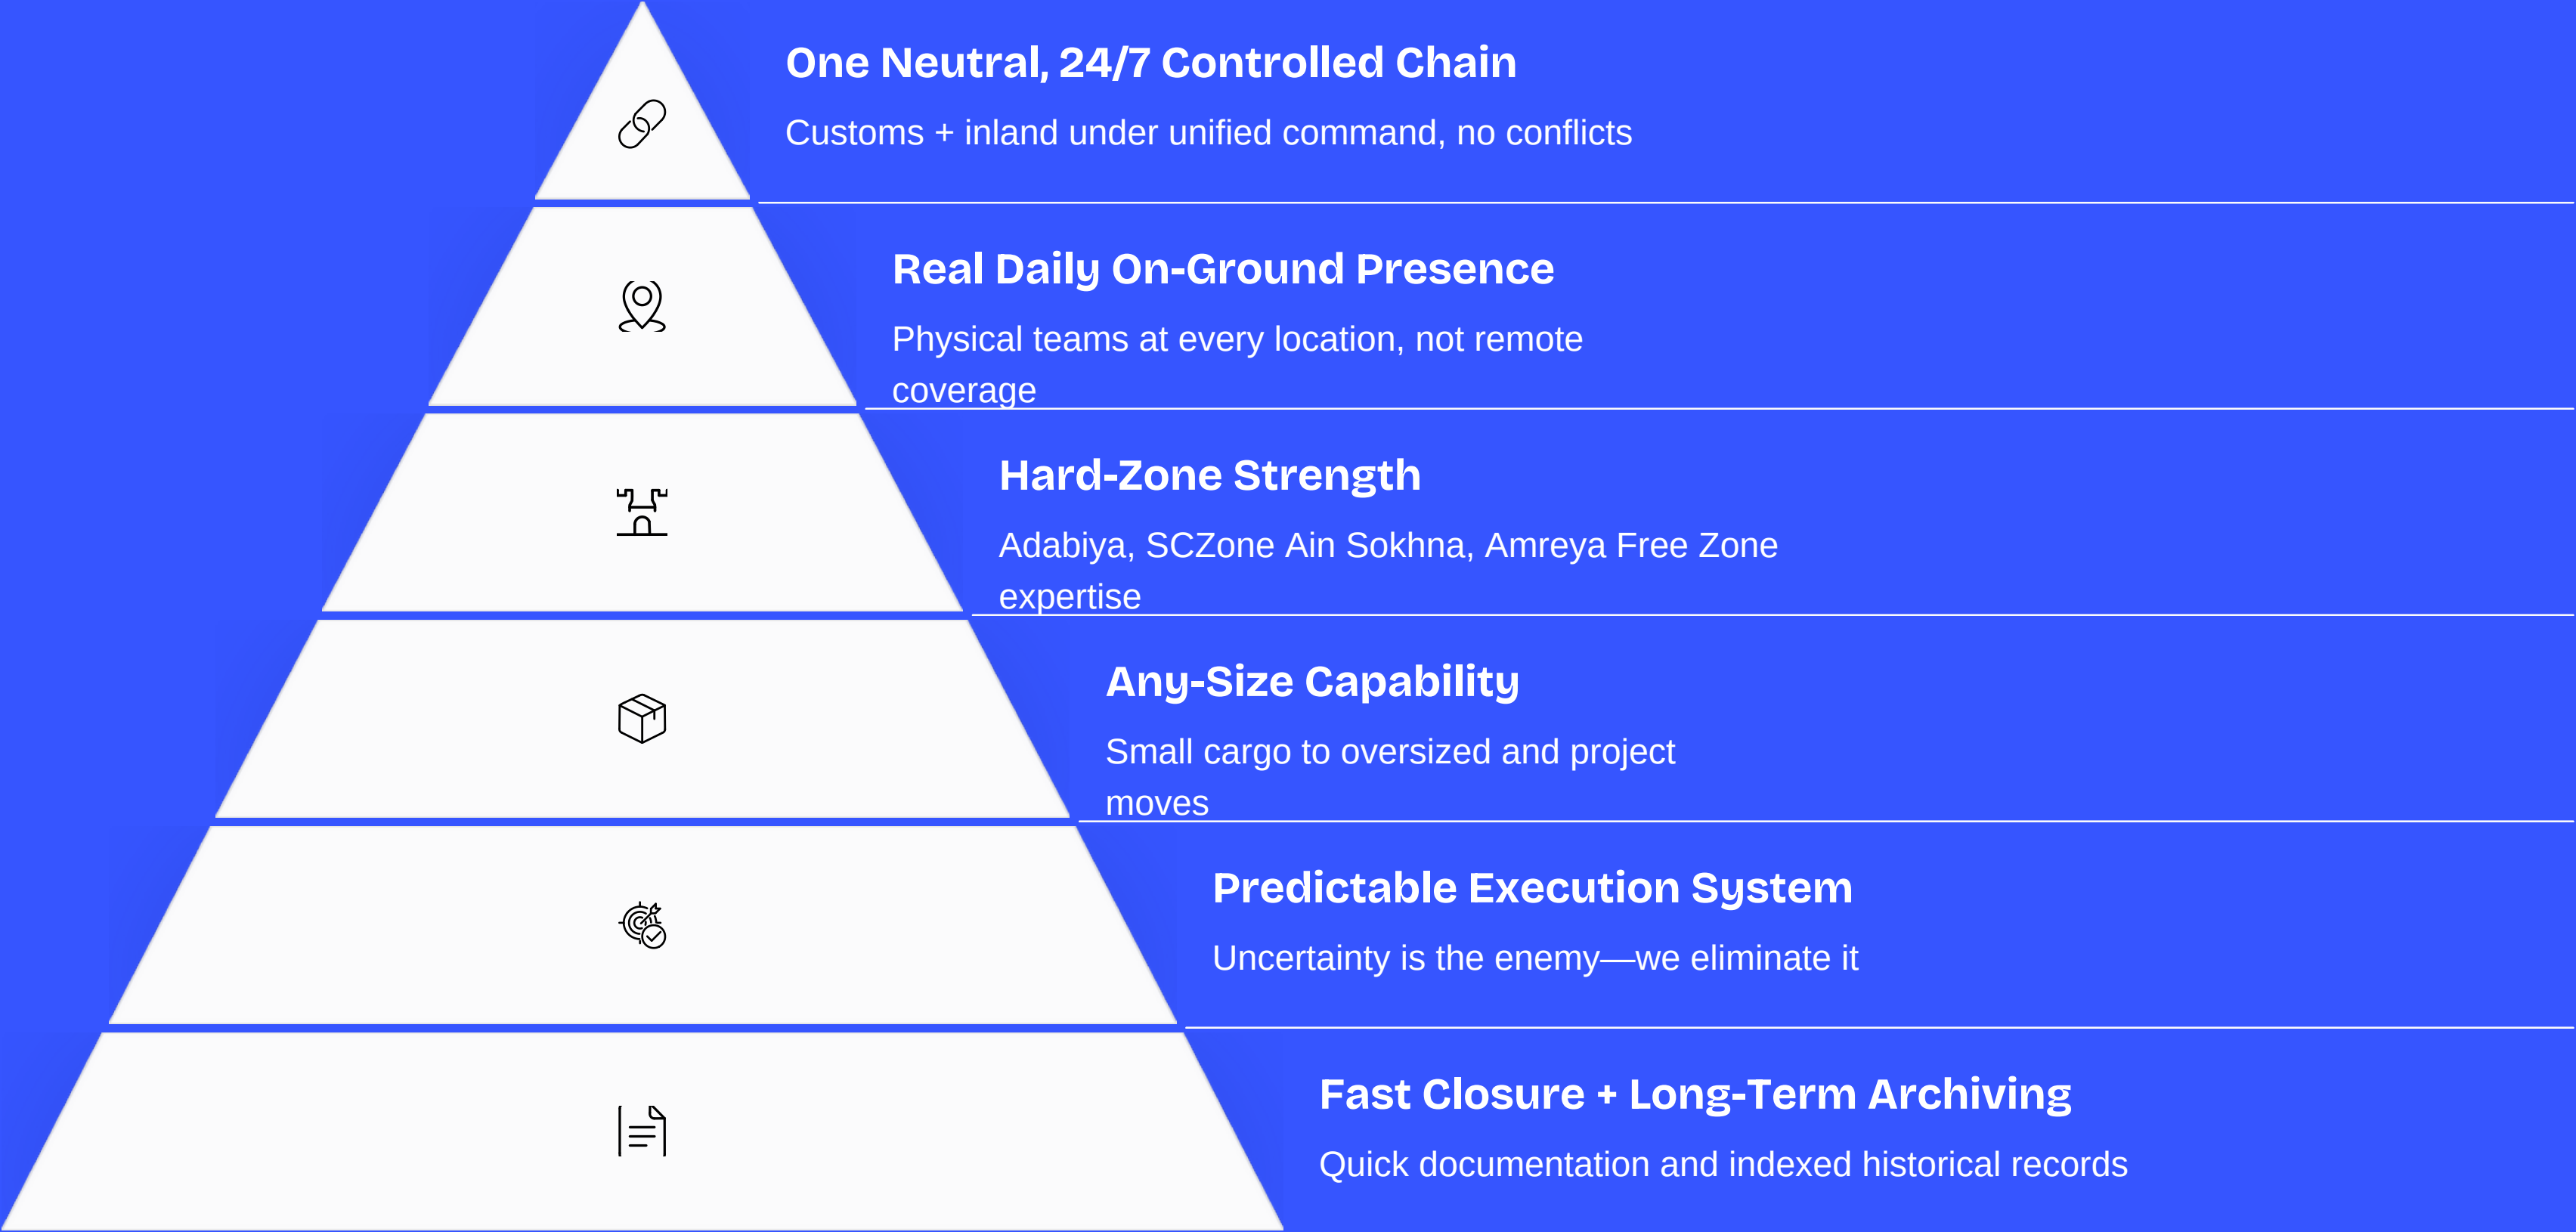

Fixed, Transparent Pricing

No vague add-ons or unexpected charges

Fast Documentation Closure

Efficient processing and rapid document completion

Competitive Edges That Matter in Real Operations

Who we serve?

Built for High-Stakes Operators

Industrial Manufacturers & Factories

Production plants requiring reliable inbound and outbound logistics

Oil & Gas Companies

Energy sector operators and service contractors with specialized needs

Free Zone Companies

SCZone and Amreya operations needing zone procedure expertise

Fraud Forwarders & Shipping Lines

International carriers requiring non-compete local execution partners

Government & Public Entities

Public sector operations demanding accountability and transparency

Infrastructure Projects

Construction and development requiring oversized cargo capabilities
